WORK EXPERIENCE

Registered Physical Therapist

1) Provided physical therapy services at Vijaya Orthopaedic and Trauma Centre for a 100-bed, specialized acute-care hospital. Assessed patients' rehabilitative needs, jointly developed a patient plan of care and treatment goals, and conducted physician-prescribed PT programs for medically complex patients (children through geriatric).

Selected Contributions:

- Worked in inpatient and outpatient rehabilitation departments implementing, reviewing, revising, and progressing individual PT treatment programs.
- Restored function for patients and prevented/lessened disabilities following disease or profound injury (including loss of limb, traumatic brain injury, lymphoma, and paralysis).
- Planned and administered treatments, modalities, and therapeutic exercise programs encompassing active and passive ranges of motion, muscle re-education, massage, and heat/water/ice/electrical/light stimulation.
- Instructed patients in the safe and effective use of pulleys, weights, inclined surfaces, and other equipment prescribed for their treatment. Participated in wound-care

treatment and helped patients adapt to the use of wheelchairs, braces, canes, crutches, and prosthetic/orthotic devices.

- Performed diagnostic and prognostic exams to evaluate muscle, nerve, joint and functional abilities.
- Excelled in the ability to customize/adapt conventional PT techniques to meet the special needs of individual patients.
- Provided comprehensive training in PT techniques to nursing and other medical personnel as well as family members of patients.
- Managed a high-volume caseload and organized the daily schedules of PT assistants and patients.
- Earned repeated commendations from supervisors and patients for providing high-quality, compassionate care helping patients to maximize their success and live within the limits of their capabilities.

2) Physical Therapy Trainee Sesa Football Academy, GOA

Under the supervision of Former Manchester City Defender **Terry Phalan** presently Chief Mentor at Academy provided physical therapy treatments and modalities for the injured athletes. Along with the coaches, designed and incorporated fitness training programs for 36 resident athletes. During the training period, pre-participation evaluation, screening, and documentation were carried out.

Selected Contributions:

- Maintained premium Athlete care at all times and earned the highest possible rating of "exemplary" on performance review.
- Successfully rehabilitated an athlete with ACL Injury, two athletes with MCL and LCL Injury, and an athlete with Mechanical Low Back Ache.
- Documented athlete's progress, exercise-program treatment plans, and other forms for Intra-/extra-agency personnel. Ensured all documentation was clear, concise, timely, accurate, and complete.
- Provided on-field and Off-field emergency management and physiotherapy services during training days and matches.
- Accompanied the team as a sports therapist to Kolkata for Mohan Bagan Football Tournament.

3) Worked as a Physiotherapist at Niramay Rehab, Sholapur.

- Rehabilitation of post-stroke patients to attain maximum functional recovery concerning time.
- Rehabilitation in Postoperative orthopedic surgeries.
- Treating and rehabilitating various musculoskeletal disorders.
- Delivered a Physiotherapy Awareness lecture at a yoga camp held by District Sports Officer, Sholapur.
- An observer at Endolite artificial Orthotics and Prosthetics branch at Sholapur.
- Lecture to Under 18 National level Badminton Athletes at Sholapur.
